

What the Health & Wellness Fee Does and Doesn't Cover

DOES COVER: nurse visits, provider visits, Counseling Center visits, travel consults, self-care center samples, and use of crutches/wheelchairs/knee scooters/heating pads

DOESN'T COVER: labs (can be billed to your PPO insurance if presented at the time of draw), lab draw fee, EKGs, prescription & OTC medications, COVID/flu/strep/etc. testing, immunizations, allergy injections, small medical procedures, and medical supplies
